## LEGACY ROOTED IN COMMUNITY

The Stonington Community Center, affectionately known as the COMO, was established in 1945 as a nonprofit aimed at engaging residents, businesses, and community groups in building a strong, vibrant community. Since then, the COMO has grown to a 16-acre campus including athletic fields, a pottery studio and makerspace, accredited preschool program, tennis and paddle tennis courts, and more. The COMO serves the youth and adults of our region by providing educational, recreational, and enrichment programs throughout the year aimed at fostering a thriving community.

## STARS OVER STONINGTON GALA

Stars Over Stonington is the COMO's annual fundraiser that brings together our community to celebrate and honor outstanding individuals and organizations making a significant impact in our community. The gala also serves to provide critical funding for facility upgrades, organizational needs, and program scholarships. Past events have funded energy-efficient windows, laptops for youth STEAM programs, a literacy loft for preschoolers, and more.

## SPONSORSHIP OPPORTUNITIES

Sponsorship levels provide unique opportunities for business visibility and recognition. Your support will not only contribute to the success of the event, but will also align your business or company with a commitment to community well-being. Customized packages that align with your business's philanthropic goals and marketing objectives are also available. We look forward to having you join us in making a memorable and impactful event for the future of our community and all those we serve.
